Formerly an Enrolled Agent before the IRS from 1984 to 1991 and 2001 to 2005.

PROFESSIONAL EXPERIENCE

SELF-EMPLOYED - Austin, Texas, 2002 to the present.

Owner - manager of Sage Investigations, LLC, a private investigation, forensic accounting, and consulting firm. Annually maintains Continuing Professional Education credits through the Texas Association of Private Investigators, Austin Chapter of the Association of Certified Fraud Examiners, the Fraternal Order of Investigators, and Intellenet. Received training in various investigative matters and ethics.

- November 2022, reviewed extensive records for employee expenditures via a construction company credit card and discovered over \$1,000,000 in stolen expenditures. The case is pending.
- November 2022, reviewed bank records and traced the disposition of \$1,000,000 in a child custody matter. The case is still pending.
- October 2022, a charter school defense was completed by tracing \$36 million through six years and more than six bank accounts. The case is pending with the TEA.
- October 2022, reviewed and analyzed records for a divorce matter involving "Claims for Reimbursement" and Tracing of Separate vs. Community Property. The case is still pending.
- July 2022, reviewed and analyzed records for a divorce matter involving "Claims for Reimbursement" by the husband, and Tracing of Separate vs. Community Property. The case was settled in mediation.
- June 2022, reviewed records and prepared a report from evidence gathered by a law firm to opine on representations made to investors constituted badges of fraud and misappropriation of investor funds.
- In May 2022, assisted in the recovery of over \$200,000 in a debt collection matter concerning a bankruptcy matter.
- In May 2022, a charter school defense was completed by tracing \$36 million through six years and more than six bank accounts. DIO technology has been instrumental in tracing funds between multiple accounts and decreasing case time. The case is pending.
- In May 2022, engagement related to an officer/shareholder theft matter was settled in mediation.
- In March 2022, engaged related to business partners in the aerospace and defense industry and a shareholder derivative lawsuit. The case is pending.
- In November 2021, authored the final report on a divorce matter regarding tracing the husband and wife's separate property and their community property and claims for reimbursement by the husband. DIO technology was instrumental in tracing the funds

between multiple accounts and decreasing case time. The case was settled through mediation in August 2022.

- In September 2021, authored a final report regarding the creditor of a business attempting to become an equity owner. The case is still pending.
- In August 2021, authored a final report regarding international fraud and conspiracy involving solar panels.
- June 2021, Fraternal Order of Investigators – Speaker
- March 2021, testified in a sentencing hearing in Federal Court before Judge Lee Yeakel.
- In March 2020, we retained for the investigation of following the Wire Transfers and Cashier's checks used in alleged bank fraud. Prepared reports with exhibits in April and was deposed in late April 2020.
- In November 2019, completed a case that lingered from 2016 regarding one of the co-executors converting the assets of his parent's estate to his personal use. My testimony as a forensic accountant and financial expert took place in Probate Court in Silver City, New Mexico, and was heard by a District Judge regarding the theft of \$2,000,000 by a brother and co-executor of an Estate left by his parents. There were two siblings, and both were co-executors. The trial lasted a day and a half, and my testimony lasted three hours and included voluminous records and summaries tracing the flow of money through bank accounts. At the end of the day, the Judge and the defense attorney complimented the presentation. The Judge ultimately ruled in favor of my client.
- In November 2018, completed an investigation and preparation for testimony in a contested will involving a client whose mother and father owned land in the Permian Basin, and the mother left all the estate assets to her daughter. The case was settled in mediation, and the client received eight figures in his settlement.
- In November 2018, completed an investigation for asset recovery and was successful in returning the client funds in excess of \$900,000.
- In October 2018, completed the Expert Witness report for the defense in a \$32 million lawsuit alleging fraud and a Ponzi scheme. The report was submitted to the District Court in Dallas, Texas, and Summary Judgment was granted for the defense.
- In August 2018, Elected President of the Texas Association of Licensed Investigators
- In August 2018, offered a presentation on Forensic Accounting Investigations to the TALI.
- Taught a day course regarding the dos and don'ts of running a private investigative business.
- Prepared the investigation that led to the reconstruction of fifteen points of sale registers to help defend a client.
- Prepared an expert witness report for embezzlement of \$850,000 of an estate by the family member that was executor of the estate. The case is pending trial in Arizona.
- Organized and developed an asset search for a contested will involving Oil and Gas Properties in the Midland, Texas, area. The case is pending resolution.
- Help represent a defendant in an income tax matter involving a bank deposits and currency expenditure case and prove that Cash on Hand was not computed correctly. Thus, reducing the number of counts being charged.
- Provided forensic accounting services in three divorce cases in Midland, Baytown, TX, and Tennessee.
- Employs financial investigative knowledge to solve problems for individuals, law firms, businesses, and corporations.

- In July 2017 assisted in a presentation to the Presentence Officer by a client, and the client was granted probation.
- In June 2017 testified as an expert for the plaintiff in arbitration in New Jersey involving a multifaceted fraud involving the theft of \$2.2 Million from an airport facility. The arbitrator found in favor of the client based on the evidence presented.
- January 2017, testified as an Expert in District Court in Williamson County in the matter of Dell v Nunn. Dell was awarded a \$10,000,000 judgment.
- January 2017 completed the investigation of the City of Hearne, TX, and rendered a report.
- 2016 spoke to the Austin Chapter of ACFEs on Fraud Investigations
- 2016 recipient of the Fraud Investigator of the Year Award for 2015 by the Wealth and Finance International Magazine.
- August 2015 recipient of the Annual TALI Hudgins – Sallee Award (Investigator of the Year Award) by the Texas Association of Licensed Investigators.
- Prepared a Forensic Accounting and Investigation chapter for a reference book to be published by Intellenet.
- In December 2016, taught a class at the Austin Chapter Association of Certified Fraud Examiners' annual seminar on forensic fraud investigation using the audit report from QuickBooks and the use of proprietary financial investigative technology.
- In December 2016, testified in State District Court as an expert witness for the plaintiff in a business dispute involving two joint venture partners (Laguarta v Satterlee). The lead partner was diverting real estate commissions and property management fees to avoid paying his broker partner fees as agreed. My damage computation was for \$370,000, and the jury returned a guilty verdict and awarded damages of \$1.3 Million.
- In May 2016, taught Investigative Interviewing to the County Auditors Association in Austin, TX.
- In April 2016, he testified in Federal Court Sentencing Hearing as a financial expert for G Jaramillo.
- In March 2016, he testified in Federal Court Sentencing Hearing as a financial expert for M Sanchez.
- In January 2016, participated in a Federal civil trial involving a Ponzi scheme involving complex real estate transactions in undeveloped land in Central Texas. (Aubrey / Vodika v. Barlin, et. al.)
- In November 2015, was deposed in Houston, TX, in the Hunt v. Hunt divorce matter Cause No. 2014-34579.
- In October 2015, speaker at the 17th Annual Fraud Conference sponsored by the Texas Department of Insurance concerning the financial investigation that led to the Discovery of the resting place of Madalyn Murray O'Hair and her son and adopted daughter, who disappeared in 1995, the recovery of their remains, and the solving of four murders.
- In October 2015, participated in a Daubert challenge in Federal Court regarding a Ponzi scheme involving promissory notes and deeds of Trust on undeveloped land in Central Texas. The Federal Judge ruled that I was an expert in the Ponzi scheme matter. (Aubrey / Vodika v. Barlin, et. al.)
- In September 2015, testified as an expert witness in the Mannon Oil arbitration hearing in Evansville, Indiana.
- In August 2015, speaker at the 2015 Annual TALI Conference regarding Forensic Accounting and investigative techniques.

- In August 2015, prepared an expert witness report in a Civil RICO matter, was deposed, and will testify in Federal District Court in Austin, TX, in October 2015. RICO charges were dismissed, and no testimony was required.
- In June 2015, was deposed in the Mannon Oil arbitration matter.
- In 2015, assisted in a risk assessment matter for PEC, a public utility company relating to an employee matter. Prepared report of findings after the interview of witnesses and gathered documentary evidence.
- In April 2015, deposed in the matter of the multi-million embezzlement of a Fortune 50 company in the Central Texas area, the civil case is complete.
- In 2015, speaker at the 2015 TALI Mid-Year conference concerning the financial investigation that led to the Discovery of the resting place of Madalyn Murray O'Hair and her son and adopted daughter who disappeared in 1995, the recovery of their remains, and the solving of four murders.
- In 2014, assisted a charity with the investigation of embezzlement by the company's CFO, documented the \$500,000 loss, and referred it to the Houston Police Department.
- In 2014, assisted a client whose New Jersey partners embezzled with the preparation of evidence to recover over \$2,000,000, the preparation of a report completed, and expert witness testimony anticipated in an arbitration proceeding.
- In December 2014, assisted the State of Texas Ethics Commission in determining an individual's residence to establish a venue for a trial. Deposition testimony in the matter in 2014.
- In 2014, assisting attorneys regarding a multi-million embezzlement of a Fortune 50 company in Central Texas. The investigation involves the review of documents and testimony, preparing a report, and testifying as the designated expert, as necessary. The civil case was completed and was referred to the IRS, CI, and FBI.
- In 2014, represented the school board in the Central Texas area that alleged wrongdoing by the long-time Board President. The investigation involved the review of accounting systems, interview of witnesses, and reporting preparation for the new School Board. A report to the School Board was rendered in February 2015.
- In 2014, assisted a Charter School in San Antonio with the review of allegations of missing money. The investigation involved reviewing the fund accounting system, interviewing witnesses, and reporting to the Board of Directors. No testimony in Court or arbitration. Relationship with the Charter School is ongoing in the reporting area.
- In 2014, a speaker at the 2014 TALI Mid-Year conference concerning how to conduct financial investigations.
- In 2014, assisted the owner of a working interest in an East Texas oil well who was sued for using a fraudulent and forged lease in an attempt to take over the completed producing well. The case was investigated but completed without testimony.
- In 2013, assisted a receiver with forensic accounting services for an investigation of a Houston business, House Savings Investments, LLC, that serviced mortgage payments for clients. Fraud has been alleged and theft from a large number of clients by an insider. Reviewed and analyzed large volumes of records and submitted an expert witness report. Submitted an affidavit in lieu of court testimony with another expert witness. A summary judgment was entered for \$11,000,000.
- In 2013, assisted a victim in an oil and gas royalty case with the analysis of records. He determined that \$400,000 in distributions were made from invested funds. The funds were transferred from the General Partner to an associated drilling and production

company. The FBI took over the Ponzi scheme for investigation, and a receiver was appointed.

- In 2013, assisted a financial investment firm in investigating an embezzlement scheme using credit card payments. Initial findings were that a bookkeeper stole \$200,000 from the company paying on the employee's credit card balance. The investigation helped prove an additional \$1.3 Million was stolen over seven years by paying the employee's credit card balance without the knowledge and authority of the company. It was also determined that the CFO was in a relationship with the employee and therefore was compromised. The company recovered the \$1.5 million from the CFO, partnership equity.
- In 2013, developed and deployed computerized investigative technology for financial investigations and evidence management, referred to as DIO.
- In 2013, a speaker at the 2013 TALI Mid-Year conference concerning the use of QuickBooks for Private Investigators and How to avoid the Taxman.
- In 2013, assisted attorneys for a liquor distributor in Austin, TX, with interviews in a matter under investigation by a task force of state and federal agencies. The investigation was discontinued after three years.
- Consulting expert for Title 31, Structuring of currency at a local bank. The client was a normal businessman with a cash hoard that he deposited in the bank, which caused a Suspicious Activity Report to be issued by the bank. Bank accounts were seized, and it was necessary to reconcile the client's books to his returns for seven years and reconstruct the source and use of the cash hoard for ten years. After a year and three months, the AUSA declined to prosecute in January 2014, but it did cost the client the forfeiture of \$31,000.
- Retained as an expert witness in the Mannon Oil and Gas matter, where the partners in the venture were suing for the establishment of a receivership. Prepared declaration of findings to support the receivership. An arbitration proceeding was held in Evansville, IN, in September 2015, and testified as an expert.
- In 2012 retained to assist in the representation of a taxpayer before the IRS Criminal Investigation Division who was accused of income tax evasion. The client ultimately pleaded guilty and assisted with preparing net worth and income reports for the probation officer. The client died of natural causes before being sentenced. Testimony was not required in this matter.
- In August 2012, the defense in Federal Court testified regarding Case #A-06-CR-069-SS Motion to revoke supervised release regarding failure to pay Court fine. My client was allowed to stay out of prison on Supervised Probation.
- In July 2012, testified as an expert for the Plaintiff in U.S. Bankruptcy Court regarding a contractor that overcharged a homeowner. Cause #11-11543cag - Fuller v. Spangenberg. My client won, and the defendant conceded the case based on my computation of damages.
- In September 2011, assisting criminal defense counsel in Federal Court in an IRS CI administrative investigation in Austin, TX as a consulting expert. Reviewed, scanned, and organized document images for use by defense counsel. The case was forwarded to the Tax Division of the Department of Justice with a prosecution recommendation for prosecution. The client was indicted & pled guilty.

- In April 2012, the investigation involved the review of documents and testimony and rendered a report regarding a Ponzi scheme involving promissory notes and deeds of Trust on real estate in Central Texas.
- Testified as an expert in Bell County for the defense in a divorce matter. It was determined that the wife was embezzling money from the family business. (Kimberly Walsh v. Mark Walsh - Cause No. 241,888 - Bell County, TX Testimony, 2011)
- In September 2011, assisted criminal defense counsel in Federal Court in a \$4.5 million-dollar Ponzi scheme in Austin, TX as a consulting expert. Reviewed and organized document discovery images for use by defense counsel. The client pled guilty, and my involvement was with testimony in sentencing mitigation. The client received probation. (U.S. v. Marcus Saenz, Cause No. U.S. District Court Western District Austin Division. - Expert Witness Court Testimony, 2011)
- In August 2011, assisted criminal defense counsel in Federal Court in a \$75 million-dollar Ponzi scheme in Austin, TX as a consulting expert. Reviewed and organized document discovery images for use by defense Counsel. The client was found guilty. My involvement was with testimony in sentencing mitigation. (U.S. v. Kurt Barton, Cause No. A-11-CR-083-SS - U.S. District Court Western District Austin Division. - Expert Witness Court Testimony, 2011)
- In August 2011, assisted plaintiff counsel as a testifying expert in representing his client in Conroe, TX, in a theft case involving fraudulent checks and ghost employees. Rendered expert witness report. The case was settled with no testimony involved.
- In June 2011, assisting the plaintiff's counsel as a testifying expert and testified in a post-divorce arbitration hearing in Midland, TX. (Peggy J. Slocum, Cause No. FM-35,225 in the County Court at Law No. 1 of Midland, TX - Deposition, 2010). The case was settled on behalf of the plaintiff.
- In June 2011, assisted the plaintiff's counsel as a testifying expert in the representation of a client in an Equal Pay Act matter. Reviewed, scanned, organized, and inventoried document images for use by the plaintiff's counsel. Reviewed accounting documents, assisted in preparing questions for depositions, and prepared reports. Testified in a deposition relating to the matter in Austin, TX. The case was settled with no court testimony involved. (Belinda Shuler, Cause No. AAA No. 70 160 00337 09 - Travis County, TX - Deposition, 2011)
- Assisted plaintiff counsel as a consulting expert in representing a state lending entity that required a forensic accounting of a \$1 million loan for which the borrower had not attempted to repay. Reviewed accounting documents and assisted with the preparation of questions for depositions. No testimony was provided.
- In January 2011, assisted defense counsel as consulting expert in defense of a federal investigation relating to fraudulent claims made by a Medicaid provider. Based on the evidence, I helped convince the defendant to enter a plea. No testimony was involved but dealt with the FBI and state investigators in Dallas, TX. No testimony was provided.
- In November 2010, testified as an expert witness for the defense in Federal Court in Frisco, TX, in a money laundering and false Form 8300 case. The defendant was convicted. (U.S. v. Richard A. Arledge - Criminal no. 4:09cr89 U.S. District Court Eastern District Sherman Division. - Expert Witness Court Testimony, October 2010)
- Investigated the theft of intellectual property (computer software) by a former employee and attempted to get the Travis County DA or the FBI and U.S. Attorney to investigate and prosecute. No testimony was provided.

- Spoke to the Heart of Texas Chapter Sisters in Crime about the Madalyn Murray O'Hair investigation.
- Assisted plaintiff counsel as a consulting expert in the representation of a divorcee concerning waste and breach of fiduciary duties, and the client required a forensic accounting reconstruction of the marital estate. No testimony was provided.
- Assisted defense counsel as a consulting expert in representing a client under federal investigation for fraud and money laundering violations. Indexed Discovery provided by the Government. Interviewed witnesses, developed evidence, and wrote a lengthy report with exhibits. The client pled guilty and was sentenced; therefore, no testimony was required.
- In May 2010, conducted an investigation on behalf of the Texas Facilities Commission, interviewed witnesses, and made recommendations for improvements in system operations. No testimony was provided.
- In March 2010, a speaker at the annual convention of Intellenet on fraud investigation.
- In January 2010, assisted plaintiff counsel in an investigation of a terminal operation at the Port of Brownsville by interviewing witnesses and securing evidence of theft and wrongdoing. No testimony was provided.
- Assist defense counsel in a criminal tax case involving a grand jury investigation, search warrants, and seized records. Scanned and indexed 40,000 documents seized by the IRS. The client pled guilty. No testimony was provided.
- Conducted an investigation for the Special Prosecutor of Caldwell County relating to an embezzlement case. Interviewed witnesses, developed evidence, and wrote a lengthy report with exhibits. Testified as an expert witness in forensic accounting in District Court in Lockhart, TX, in a theft by embezzlement case, the subject pled before the defense phase. The subject was sentenced to 30 days in jail and 10-year probation.
- In April 2009, speaker at the Forensic Expert Witness Association (FEWA) Seminar.
- Testified as an expert in equity hearing before a mediator relating to the Lockhart embezzlement case, the client won and received judgment.
- In September 2008, received updated training on the Advanced Fraud Examination presented by the Association of Certified Fraud Examiners.
- Assisted plaintiff counsel as a consulting expert by conducting an embezzlement investigation involving check fraud and forgery at a church. Provided the examination of computer evidence through the use of computer forensics. Interviewed witnesses, developed evidence, and wrote a lengthy report with exhibits. No testimony was provided.
- Conducted an embezzlement investigation at a cattle auction involving the theft of cash from accounts receivable, secured a confession, and presented it to the District Attorney. No testimony was provided.
- Conducted an investigation into the questionable activities of employees and management of a Bastrop water service company. Interviewed witnesses, developed evidence, authored a lengthy report with exhibits, and testified to the Board of directors. No testimony was provided.
- Conducted an investigation for Life Insurance Company to discover the perpetrators of the burglary and theft of computer equipment. Interviewed witnesses, developed evidence, and wrote a lengthy report with exhibits. No testimony was provided.

- Assisted defense counsel as a consulting expert in a Waco Federal case involving the structuring of transactions and the indictment was dismissed. No testimony was provided.
- Assisted the plaintiff's attorney as a testifying expert in a Waco divorce case with the reconstruction of a marital estate looking for assets hidden from the marital estate. Reviewed evidence and prepared lengthy reports. The case was settled without testimony. No testimony was provided.
- Assisted defense counsel as consulting expert in a mortgage fraud investigation involving twenty individuals by preparing my client for testimony. The client testified before government agents, pled guilty, and later testified in the trial. No testimony was provided.
- Conducted investigation for Hood County judge of questionable activities within county government. Interviewed witnesses, developed evidence, and wrote a lengthy report with exhibits. Provided testimony in a deposition in a civil matter relating to the investigation.
- Conducted investigation into a Colorado college student's wrongful death by drug overdose. Interviewed witnesses and developed evidence, and wrote a lengthy report with exhibits. No testimony was required because the case was dismissed because of court action. No testimony was provided.
- Assisted defense counsel as a consulting expert on federal criminal violations; including income tax evasion, filing false returns, mortgage fraud, money laundering, structuring bank transactions, operating an illegal gambling business, bribery, unauthorized access to IRS records, and many others. The cases were resolved in various manners from dismissal to jail sentences, and my testimony was not required. No testimony was provided.
- Assisted defense counsel as a consulting expert in the preparation of witnesses for testimony in debriefings and for trial in a bribery trial. Gathered and prepared evidence for presentation as an Expert Witness but did not testify.
- Assisted plaintiff counsel as an expert witness in a civil trial relating to the recovery of assets.
- Provided investigative expertise for the National Credit Union Administration to investigate and report on failed credit unions where fraud is suspected.
- Provided investigative expertise to assist plaintiff attorneys for a Fortune 50 corporation involved in an intellectual property lawsuit involving another Fortune 50 corporation.
- Provided forensic accounting and reporting from 2006 - 2010 to Wells Fargo Foothill, an asset-based lender, now known as Wells Fargo Capital Finance, as part of a loan due diligence team, responsible for interviewing management, reviewing accounting and computer systems procedures, internal controls, segregation of duties, and verifying assets.

Organizations

Elected President of the Texas Association of Licensed Investigators from 2018 to 2020.

Former Treasurer for the Texas Association of Licensed Investigators from 2012 to September 2017. Elected August 2017 to a Director At large Position within TALI. Past President of the Austin Chapter of Certified Fraud Examiners, Westlake Rotary, the Westlake Rotary Foundation, and Assistant

District Governor Rotary District 5870. Past Treasurer HTCIA, Past Grand Knight for St John Neumann Council 10836, and Past Faithful Navigator for Bishop Reicher Assembly 1099. Former Treasurer for the Texas Criminal Defense Investigator Alliance.

INTERNAL REVENUE SERVICE - New Orleans, Louisiana and Austin, Texas

Senior Special Agent - Criminal Investigator, August 1969 to September 2001, with breaks in service as discussed above. Planned and conducted financial investigations pertaining to alleged individual and corporate income tax fraud, money laundering, and currency transaction reporting violations. Identified relevant testimony and financial data; prepared and served summons/subpoenas for witness testimony and books/records relevant to alleged offenses. Interviewed suspects and witnesses to develop facts and to resolve conflicts between testimony and financial records. Identified and addressed case weaknesses. Established facts and drew valid conclusions. Prepared prosecution reports and presented key supporting evidence to management, legal counsel, and Federal Grand Juries. Experience has included international cases. Through training and experience developed a thorough working knowledge of legal and accounting principles.

- Completed more than two hundred financial investigations, a number of which involved complex legal and accounting issues, indirect methods of proof, investigation of income tax, payroll taxes, money laundering, bookmaking, bribery, and public corruption (Jim Garrison, DA of New Orleans), advanced fee schemes, and Ponzi schemes (Russell Erxleben - Austin Forex International and Brian Stearns).
- Testified before Federal Grand Juries and criminal courts on more than thirty occasions. Assisted the U.S. Attorney in the presentation of the evidence at trial, managing evidence and demonstrative exhibits.
- Coordinated criminal investigations in conjunction with other government agencies, including the Drug Enforcement Administration, Securities, and Exchange Commission, Federal Bureau of Investigation, Texas Rangers, local prosecutors, and local and state police.
- Case Agent for a number of Ponzi schemes, including Austin Forex International (Russell Erxleben) and Bryan Stearns of Austin, TX. Both subjects were incarcerated for securities fraud, money laundering, bank fraud, and wire fraud.
- Case Agent on the investigation and solving the disappearance of Madalyn Murray O'Hair, her son, Jon Garth Murray, and adopted daughter, Robin Murray O'Hair. Following the money and developing, a detailed circumstantial case proved that her former employee murdered her, the children, and a conspirator. Testified as a summary witness for the Government.

TEXAS STATE SECURITIES BOARD - Austin, Texas

Supervising Examiner November 1984 to 1986. Conducted investigations of individuals and companies that violated state securities laws, including Ponzi schemes, oil and gas frauds, and real estate fraud. Analyzed records obtained voluntarily or by subpoena, rendered reports, presented cases to State Grand Juries for indictment, and assisted the attorney in trial preparation and presentation.
